Arasys III Inch Loss

Featured on FOX 6 News and Oprah!! One 17minute session is equal to aprox. 300 sit-ups or 400 buttock raises. FDA-approved ARASYS uses a unique faradic WAVEFORM technology based on the pacemaker to smoothly pulse desired muscles and burn fat (like isometric exercise). This system does non-invasive buttocks and breast lifts.

Choose all front or back muscle groups with the same setting. Setting can be muscle building, inch loss, body toning (cellulite), or superficial toning (skin tightening).

1 Single incl. 2-3 Body Parts for 25 min. Our single session consist of one pad placement/setup.
